Dear Ed:

I certainly wish to take a moment to personally thank you for your enthusiasm in presenting the two presentations at The Oaks at Ojai.

As I had mentioned before, we are continually seeking new presentors and topics of interest to our guests. Your topic was well received and our evening manager rated your presentation on "Eye Care" - Excellent.

Again, thank you and we would be most pleased to have you return in the future.

Sincerely,

Kathleen Cummings  
Evening Program Director
