Dear Mr. Rigsbee,

Enclosed is our company check for  as a final payment for your program at our Rock Institute.

A quick review of the meeting evaluation forms reveals high grades for your platform presentation as well as the smaller breakout sessions. As soon as the results are final, I'll drop you a note with an analysis.

It was great having you with us and believe me, you greatly enhanced our program.

Regards,

Herb Reinwasser
Conference & Travel Representative
