Dear Ed:

Again, thank you for joining us in Charlotte and giving your presentation, "Dealing with Vendors." Enclosed please find a summary of your workshop presentation. The summary is pretty self-explanatory, and I included any written comments provided by attendees. We do not include the names of attendees on the summary forms.

This year's workshop programming was pretty well-received, considering the variety of workshop attendees with various levels of experience. Should you have questions about your summary, please contact me at 301-495-0240, ext. 32, or e-mail me at nsseamtg@aol.com.

We at NSSEA thank you for helping to make our School Equipment Show a success this year. We sincerely appreciate your contribution to the professional and personal development of our members and attendees. Take care!

Sincerely,
