**Dear Ed:**

On behalf of our members and the BSC Board of Trustees, I would like to extend our thanks to you for participating as a speaker in our annual SHOWCASE Convention and Exposition. I hope you found this to be a worthwhile endeavor. This program is the highlight of the year for our Council, and your participation certainly helped make our show a success.

We appreciate the time you took to personalize your presentation for our group. Both topics were very timely and several people told me that the partnering topic is one that our members can use, and that they thought that it really got the participants thinking about how they can use this technique. You managed to provide a good deal of useful information in your session, and presented it in a lively and very upbeat manner. Your energy is amazing!!

I hope SHOWCASE was a good experience for you also. We all enjoyed getting to know you and thank you for taking time from your busy schedule to join us. I hope to be able to use you again in another NAHB program.

Sincerely,
