Dear Ed:

Your enthusiastic presentation to the California Bottled Water Association on March 12, 1999, on The Art of Partnering, was well received.

I want to take this opportunity to thank you for doing such a wonderful job in delivering your presentation with an interesting twist by slipping a few cartoons in relation to the topic, this kept everyone entertained and interested.

It was a pleasure to work with you and I hope to have the opportunity to work with you in the future.

Sincerely,

A handwritten signature in cursive script that reads "Melissa Meadows".
