Dear Ed:

A little note to thank you so much for being such an important part of our 8<sup>th</sup> Annual Spring Seminars in Las Vegas earlier this month. I was impressed by the extensive homework you did on our association, and by the number of our members you spoke with to customize your program.

The meeting evaluations are rolling in hot off the fax machine, and the responses are quite favorable to your session "Partnership for the New Millenium". I give you extra credit for having to speak early in the morning, after most attendees were hitting the hot spots of Las Vegas the night before. There's nothing like facing a room of bleary eyed members as the opening speaker - you really pulled it off. Our attendees found you to be clear, concise, funny, and well-prepared.

I hope we have the opportunity to work together in the future on another program. Until we meet again.... Have a wonderful and relaxing summer.

All my best,

Amy Drago
