Dear Mr. Rigsbee:

Thank you for joining us at CCTI's 2001 Midwest Meeting. Your presentation of "PartnerShift – How to Profit from the Partnering Trend" was extremely interesting and helpful to attendees. According to comments on the evaluation forms, members found your presentation interesting and thought provoking. As you know, our industry is continually changing and our members enjoyed hearing your thoughts on how to improve their businesses.

Again, thank you very much for such an informative presentation. If you have any further questions regarding this meeting, please feel free to call me.

Best regards,
