Dear Ed,

On behalf of the National School Supply & Equipment Association Board of Directors, members, and staff we would like to thank you for your help in making Ed Expo '01 a success.

We truly appreciate your willingness to share your time and your knowledge to enhance the personal and professional development of our members and show participants. You truly opened the eyes and stimulated the minds of our attendees with your ideas. You gave them some new ideas to take home and think about and reminded them about a few things they may have "forgotten". I know you took our workshops to a new level, adding new and viable solutions to the everyday issues our membership faces.

Enclosed please find a summary of your workshop presentation, including information on attendance, survey return rate, and general comments. Should you have questions about the summary, please contact me.

Again, your contribution as a workshop speaker aided in the overall success of our show, and we thank you! I look forward to working with you again in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Shari".
